THE OLD VICARAGE

PRIVATE NURSING HOME

At The Old Vicarage we aim to provide all our residents with a secure, relaxed and homely environment.

We offer 24 hour-nursing care for many different types of disabilities.

Our matron leads a team of dedicated nurses and care workers and demands the highest quality of care for all of our residents.

We can accommodate 47 residents in 41 single rooms and 3 twin bedded rooms. Many rooms have en-suite facilities and all the rooms have hand basins. Every room is equipped with a colour television and there is an emergency call system throughout the home.

For those who cannot use the stairs there is a passenger lift plus a stairlift between the ground and first floors.

There are two main lounges, two dining rooms and extensive patios and garden areas for all our residents to use.

We encourage residents and their families to bring in familiar belongings to personalize their rooms.

Meals are considered to be of crucial importance. Food gives us nourishment, pleasure and a sense of occasion. On admission, your likes, dislikes and special diets will be noted.

We want to create a warm and caring environment for our residents and we encourage family and friends to visit with no restrictions on visiting hours.

OUR AIMS

Our aim is to treat people as individuals and as people of worth and to provide our clients with a safe and homely environment in which to live 24 hours a day. We aim to enable our clients to maintain their individuality and support their rights and choice within the home. We endeavour to provide privacy, encourage independence and maintain our client's dignity and self respect. It is our top priority to provide the highest standards of care at all times.
